

Circle the type of volunteer work you are interested in below. We will review/assess your application and find where you best fit our need.

1. **Reception:** Volunteers with friendly demeanors who enjoy helping people are needed to answer the telephones, give directions, and provide information. They are often the first point of contact with the organization, so we're looking for friendly, professionally minded people.
2. **Administrative:** Assist staff with administrative tasks, MS Word, Excel; nice handwriting is a plus.
3. **Daily Operations/Housekeeping:** We rely on volunteer help for a variety of daily tasks so that staff can concentrate on caring for the dogs. Housekeeping includes laundry, cleaning, and other tasks.
4. **Teen Challenge:** Teens will assist kennel staff with various duties, according to their school schedules. Hours range from 3:00-5:00 weekdays and varied weekend hours, based on our needs.
5. **Dog Enrichment Ambassador:** Assist with enhancing dog's emotional and mental state to be calm, happy, and confident using a range of activities.
6. **Dog Handler/Puppies:** While many are interested in becoming a dog handler, this position requires a significant time commitment. Applicants are interviewed based on open positions, then asked to schedule required time for observing classes and being paired with a mentor coach.  
 \*You must be able to do the following: lift 30 lbs., carry puppies, get on and off the floor, good balance and follow strict instructions for puppy handling. (Minimum 8 hour per week)
